*Proceedings of the Madras Government, Revenue Department,
18th August 1866.*

No. 464. Read the following Proceedings of the Board of Revenue, dated 4th August 1866, No. 5,367.

Read the following letter from the Officiating Collector of Tanjore, to the Acting Secretary to the Board of Revenue, dated Point Calimere, Tritrapundi Talook, 21st July 1866, No. 185 :—

1. I have the honor to submit, for the sanction of Government, an estimate amounting to Rupees 8,250, received from the Superintending Engineer, Sixth Division, for forming the road from Peralam to Ambacalattur on the French frontier. The estimate is entered as No. 97 in the printed Budget, with an approximate sum of Rupees 4,000. The balance, Rupees 4,250, will be provided in the Budget for 1867-68.

2. This road is intended to complete the communication between Peralam and Karrikal, the French authorities having already completed eight miles of the road in their territory, and it seems only fair we should complete the good work they have commenced ; the road will open up some of the richest villages in the District, and give them means of communication hitherto not granted, although much desired.
