Proceedings of the Madras Government, Revenue Department,
21st August 1866.

No. 532. Read the following Proceedings of the Board of Revenue, dated 11th August 1866, No. 5,601.

Read the following letter from the Collector of Malabar, to the Secretary to the Board of Revenue, dated Calicut, 2nd June 1866, No. 171 :—

1. By the Orders of the Government of India noted in the margin, sanction was given for the continuance of the Escheat Establishments in this District up to April 1866.

30th November 1864.

2. In submitting my Estimate of Extra Establishments for 1866-67, I provisionally entered a lower scale of establishment than in last year, hoping to revise it when submitting my report on the progress of the escheat operations with reference to the orders of the Board noted.

15th January 1866, No. 349.

3. I shall be in a position to submit this report ere long. Meanwhile as any alteration of the establishments would interfere with the progress of the work, I have the honor to request that sanction may be obtained for continuing the establishment at its old strength, till the end of June 1866, pending the report, which will be submitted by me in regard to the future requirements of the Department. As the salary of the establishment cannot be disbursed without the necessary sanction, I request I may be favored with early orders on the subject.

P. S.—The increased expenditure will probably easily be met from general savings.

1. Submitted to Government, with the Board's recommendation that the Collector be authorized to continue the Escheat Establishment at its old strength, till the end of August 1866.

2. The Collector will at once submit the promised report regarding the future requirements of the Department.
