*Proceedings of the Madras Government, Revenue Department,
23rd August 1866.*

No. 617. Read the following Proceedings of the Board of Revenue, dated 21st August 1866.

Read the following Telegram from the Collector of Bellary, dated 21st August 1866, 15-50 :—

“The object of asking for the supply of grain was to relieve the extreme pressure of high prices and consequent distress; it could have been employed either in distribution to the Relief Committees for the support of the infirm-poor, or else given in lieu of wages to the employed poor, in either case lessening the local demand; but as certain local merchants have since agreed to import grain from Madras, if they can get it at a rate to save themselves from loss, I trust that importation on Government account may not be requisite.”

Ordered to be submitted for the information of Government.

No. 618. ORDER THEREON, 23rd August 1866, No. 2,195.
