*Proceedings of the Madras Government, Revenue Department,
23rd August 1866.*

No. 619. Read the following Proceedings of the Board of Revenue, dated 11th August 1866, No. 5,597.

Read the following letter from the Collector of North Arcot, to the Secretary to the Board of Revenue, dated Chittoor, 7th August 1866, No. 220 :—

1. With reference to the Proceedings of the Board, No. 4,771, dated 12th July 1866, and the second of the Orders of Government, (No. 1,328, of 1st June 1866,) therein embodied, I have the honor to request that the Board will be pleased to inform me whether am I right in construing the first paragraph of the Government Order as meaning that the former order, which fixed the assessment at the rate of Rupees 2-8-0 per acre upon all lands cultivated under a ruined tank surrendered to private enterprise is superseded, and that instead the highest Punjab rate of the village in which the tank is situated shall henceforth be levied, whether it be upon the registered Nunjah ayacut under the tank, or on dry crop land, which may be converted into wet by the improved capability of the tank : in short, that under this last ruling the rate of two and a half per acre gives place to the highest Punjab rate of the village, in respect of all land so circumstanced.

2. As there are several cases now pending before me, I request the favor of an early reply.

1. Submitted for the orders of Government.

2. The Board are under the impression that the Government Order in question was not intended to affect the special rate of assessment which has been fixed by the Board for the several Districts under paragraph 6 of Government Order, dated 23rd December 1862, No. 2,673, Revenue Department.
