*Proceedings of the Madras Government, Revenue Department,
24th August 1866.*

No. 645. Read the following letter from the Controller of Public Works Accounts, to the Secretary to Government, Department Public Works, dated Madras, 15th August 1866, No. 1,356 :—

1. By the orders of the Government of India, communicated in G. O., 23rd February 1866, No. 643, the income from the East Coast Canal, after paying for repairs and maintenance, is allowed to be formed into a Local Fund for improving and extending similar works.

* Communicated in Proceedings Revenue Department, No. 666, dated 16th March 1866, in Proceedings Public Works Department, No. 931, dated 22nd March 1866.

the past year, to be hereafter credited to "District Road Fund," out of which Rupees 18,150 were sanctioned in G. O., No. 1,463,† Revenue Department, dated 15th June 1866.

3. In G. O., 28th April 1866, No. 1,347, it is pointed out, that the sum of Rupees 9,983, provided in the Imperial Budget of the current year for the maintenance of the East Coast Canal, will not be required for that purpose, as these canals are in future to be kept in repair from Local Funds under the orders above referred to, and the provision in the Imperial Budget was accordingly transferred to the Municipal Commissioners for roads under their executive charge.

4. On the 7th instant, this office requested the Accountant General to transfer from Local Funds, to the credit of the Public Works Department, the above-mentioned two sums of Rupees 18,150 for new works, and Rupees 9,983 for maintenance charges of the canal. That Officer has intimated his having placed to the credit of this Department only the sum of Rupees 18,150 on a grant of the New Work Estimates, and considers that the G. O., dated 28th April 1866, does not authorize the transfer of the Maintenance Estimate of Rupees 9,983 to the credit of this Department, for which he desires the special sanction of Government may be obtained, and this I request may now be accorded.

5. I would here state that the Accountant General had, under the orders of the Government of India above alluded to, instructed this Office on the 15th March 1866 to transfer to the debit of the Civil Department the Establishment charges of the East Coast Canal Toll Office, and relieved the Public Works Department of this charge, and it only now remains to relieve this Department of the maintenance charges of the same canal.

Referred to the Revenue Department.
