*Proceedings of the Madras Government, Revenue Department,
27th August 1866.*

No. 683. Read the following Proceedings of the Board of Revenue, dated 14th August 1866, No. 5,675.

Read the following Proceedings of the Madras Government, dated 6th June 1866, No. 1,361, Revenue Department:—

ABSTRACT.—Communicating Despatch from Secretary of State for India, reviewing Annual Report of Court of Wards for 1863-64, with certain remarks.

1. Ordered that the foregoing Proceedings and Despatch from the Right Honorable the Secretary of State be communicated for the information and guidance of Collectors concerned.

2. Collectors will note the observation made by the Secretary of State in paragraph 3 of his Despatch, as to the want of care hitherto exhibited in recovering debts due to estates under ward. With reference, however, to the remarks on the lapsed claims of the Neikaraputty estate, there seems reasonable ground to conclude that these claims, being of very long standing, were barred in law before the estate came under the direct management of the Government Officers in Fusly 1271.

From paragraph 13 of the Acting Sub-Collector's Report, dated 31st August 1864, No. 200, it appears that, in respect to the arrears of revenue, it was even difficult to ascertain what was the extent of those claims owing to the absence of regular accounts under former management; and in paragraphs 23, 24, and 25 of that Report, the difficulties connected with the bond debts were fully explained.

3. The points adverted to in paragraphs 8 and 10 of the Home Despatch, in connection with the Royempetta Minor and Neikaraputty estate, have been since reported on by the Court in paragraphs 38 and 40, and paragraph 63 of their Minor Report* for Fusly 1274. It is sufficient to note in this place that in paragraph 10 of his letter, dated 13th September 1865, No. 296, the Collector distinctly states that all the irrecoverable portion of the debts due to the Royempetta estate was already barred by the Law of Limitation at the date of the assumption of the estate.

4. The observations of the Secretary of State in paragraph 9 will be specially communicated to the mothers of the Erungadukottah and Lakhavaram Minors, and to the elder brothers of the Uttukaudu Minor.

* Dated 6th June 1866, No. 3,890.
