Proceedings of the Madras Government, Revenue Department,
27th August 1866.

No. 637. Read the following letter from the Secretary to the Board of Revenue, to the Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 18th August 1866 :—

From Government, 7th August 1866, No. 1,978.
Board's Procs. 10th ,, ,, ,, 5,537.
Do. ,, 10th August 1866, No. 5,560A.
To Government, 11th August 1866, No. 5,610.

1. With reference to the correspondence noted in the margin, I am directed by the Board of Revenue to report, for the information of Government, that 159 bags, containing 1,107½ mercals of seed paddy, as particularized in the annexed Memorandum, have been received from the District of Madras and through the Cash-keeper of the Board's Office, and despatched to the Collector of Ganjam on the Steamers "Punjab" and "Arracan," which sailed hence for Gopalpore on the 11th and 15th of August respectively, and that the Board have received a telegram from the Collector of the Godavery District reporting that in accordance with their instructions he despatched on the "Punjab" 1,500 bags of seed paddy to Gopalpore, so that the Collector of Ganjam will have received 1,659 bags of seed. Assuming that each bag contains on an average six mercals, as is estimated to be the case here, the quantity actually despatched is rather more than the Collector required, although the number of bags is less.

2. The Board have remaining on hand forty bags, containing 240 mercals of seed paddy received from the Tahsildar of Tripatoor, after the departure of the Steamer "Arracan," and have telegraphed to the Collector of Ganjam to ascertain whether the seed will be of use if sent in the middle of next month, before which time it has been ascertained no steamer will leave this for Gopalpore. Should the Collector reply in the negative, the seed will be sold to the best advantage, and the proceeds carried to the credit of Government.

3. A Statement of the expenses incurred in the purchase, &c., of the seed will be laid before Government as soon as the Collectors of the Districts whence it was procured have furnished the information called for in Board's Proceedings, dated 10th August 1866, No. 5,537.
