*Proceedings of the Madras Government, Revenue Department,  
27th August 1866.*

No. 694. Read the following letter from the Acting Collector of Madras, to the Chief Secretary to Government, Fort Saint George, dated Mount Road, 21st August 1866:—

1. I have the honor to submit my weekly report with reference to your Memorandum, dated the 28th ultimo.
2. The season has a tendency to improve, though the change for the better is not yet marked. The Ryots are ploughing in every direction, and the few dry crops which have been put into the ground are green, and look well.
3. Heavy rain fell in Trivallur and in Chingleput on the 17th. Probably there was a downpour last night at Chingleput, as the post from that place was this morning late. No doubt rain has fallen during the week in the Conjeveram Talook; but the Tahsildar has not yet sent in his weekly report. In Maduran-takam, slight showers are reported; but rain fell here also on the 17th. I suspect that on that date the rain-fall was tolerably universal in the Southern Talooks of the District.
4. Prices have not altered since the date of my last report.
5. The markets, on the whole, are everywhere sufficiently supplied.
6. The public health is improving; but the reports of the Tahsildars still describe cholera and small-pox as prevailing.
7. Pasture is springing up in all directions.

No. 695. ORDER THEREON, 27th August 1866, No. 2,234.

Miscellaneous.

The Acting Collector is requested to be more punctual in future in submitting these reports, which should reach the Government on every Monday evening. He will require his Tahsildars to be more regular in sending to him their returns.
