*Proceedings of the Madras Government, Revenue Department,
23th August 1866.*

No. 736. Read the following Proceedings of the Board of Revenue, dated 27th August 1866.

Read the following:—

No. 156.

Special Season Report for the fortnight ending on the 15th August 1866.

1. There has been rain to a small extent in parts of the District, and the tanks have received a supply of water adequate to meet the demands of men and cattle.
2. The freshes continue to flow in the Cauvery and the Coleroon and the irrigating channels. Weyacondon, Nattoovoikal, Peravalaivoikal, and Iyenvoikal have received a fair supply of water.
3. The Mauricar and Semba paddies are being cultivated in the Neerarumbum Nunjah lands, and Raggy, Gram, Cholum, and Cumboo are under cultivation in the Poonjah lands. In Cadarumbum parts of the District Cumboo, Cholum, and other grains are being cultivated.
4. In some of the villages of the Kulittalai Talook, the produce of the Andivalan paddy and Sugar-cane is being reaped.
5. In several of the Cadarumbum villages, the sufferings of the poor from want of food and water are so great that they are driven to the necessity of eating aloes, plantain roots, and herbs. There is a Conjee-relief house opened in the town of Trichinopoly for the feeding of the poor, and upwards of 2,000 have a meal daily. The people that flock to the relief-house are daily increasing in number.
6. The cattle are dying from a disease peculiar to them, known in Tamil by the term Vekai.
7. There are but few cases of death from cholera.
8. There has been no cultivation of Indigo and Cotton.
