Read the following Telegrams :—

No. 738. From Collector, Berhampore, to Revenue Secretary to Government, Madras, dated 27th August 1866.

Season favorable. Rain-fall sufficient. Prices: paddy falling, others stationary. Markets well supplied. Health good. Condition of people in poor houses improving. Pasture abundant.

No. 739. From Collector, Vizagapatam, to Revenue Secretary to Government, Madras, dated 27th August 1866.

27th.—Season promising. Rain-fall increasing. Prices in towns rising, elsewhere stationary. Market ill-supplied. Public health good. Pasture sufficient.

No. 740. From Sub-Collector in charge Cocanada, to Chief Secretary to Government, Madras, dated 27th August 1866.

Season promising. Rain-fall plentiful. General prices rising. Large exports to Bombay and Southern ports. Market well supplied. Public health improving. Pasture good.

No. 741. From Collector, Masulipatam, to Chief Secretary to Government, Madras, dated 27th August 1866.

Season promising. Rain-fall sufficient, except in Vinukonda and Palnad Talooks. Prices still rising owing to extensive exports to Hyderabad and Western Districts. Markets ill-supplied; in some Talooks particularly pulse, oils, and ghee are very scarce. Cholera and small-pox prevail. Pasturage deficient in Western Talooks.

No. 742. From Collector, Nellore, to Chief Secretary to Government, Madras, dated 27th August 1866.

Season promising. Rain-fall two inches. Prices stationary. Markets close. Public health good. Pasture improving.

No. 743. From Collector, Cuddapah, to Revenue Secretary to Government, Madras, dated 27th August 1866.

Season more promising. Rain-fall fair. Rains in Cuddapah, Pullumpett, Voilpaud, Rayachotty and Madanapully Talooks. Some tanks received water. Pasturage much more abundant. Public health: cholera prevalent, particularly in Western Talooks. The rest as before.

No. 744. From Collector, Bellary, to Revenue Secretary to Government, Madras, dated 27th August 1866.

Rain-fall none up to date at Bellary; scanty fall in the Western Talooks. Prices same as last week. Markets ill-supplied. Public health bad from cholera and distress. Pasture not improved. Prospects at present as bad as last week.

No. 745. Fom Collector, Kurnool, to Revenue Secretary to Government, Madras, dated 27th August 1866.

August 27th.—Season improving slightly. Hindry river in flood yesterday, which denotes heavy rain in Pattikondah, where it was much wanted. Cholera prevails in some parts, but general health good. Pasture improving. Prices very high, but have fallen slightly since the rain. More than three inches registered during the week at Kurnool.

No. 746. From Collector, Cuddalore, to Revenue Secretary to Government, Madras, dated 27th August 1866.

Season more promising than heretofore. Rain-fall general, but scanty. Slight freshes in Poonicar and Guddelum. Dry grains of all kinds under cultivation. Prices stationary. Markets ill-supplied. Public health very good on the whole, though cholera prevails in parts of the District. Pastures much improved, owing to recent rains.

No. 747. From Collector, Chittoor through Vellore, to Revenue Secretary to Government, Madras, dated 27th August 1866.

Season, great improvement since last report; heavy rain during night of 21st, and several short showers since. Tanks generally have received from one to one and a half month's water. Wet cultivation commenced on low, level lands. Ploughing active in upland and dry crop lands; small freshes down the Ponne, Palar, and Cortelliar rivers. Prices tolerable stationary, with a downward tendency since rain fell. Export very active up South-West Line. Larger markets regulated according to immediate consumption. Stock in hand small. Operations timid. Public health bad. Cholera very general, type sporadic. Pasture and water abundant.

No. 748. From Collector, Tanjore, to Chief Secretary, Madras, dated 27th August 1866.

Season all right in the Delta. Better in the uplands. Rain-fall frequent showers. Weather cool and cloudy. Prices still high. Markets generally well supplied. Health better. Cholera decreasing. Pasture more abundant.

No. 749. From Collector, Trichinopoly, to Chief Secretary to Government, Madras, dated 27th August 1866.

Season promising. Rain-fall few showers since last report. Prices high, but stationary. Markets tolerably supplied. Health indifferent, chiefly amongst the poorer classes. Pasture little improved in consequence of showers.

No. 750. From Collector, Palamcottah, to Chief Secretary to Government, Madras, dated 27th August 1866.

August 27th.—Season not promising. Rain-fall deficient. General prices stationary. Markets well supplied. Public health good. Pasture failing.

Proceedings of the Madras Government, Revenue Department,
28th August 1866.

No. 751. From Collector, Coimbatore, to Chief Secretary to Government, Madras, dated 27th August 1866.

Season generally unpromising. Rain-fall very deficient. Prices generally rising. Markets tolerably well supplied. Public health good. Pasture deficient, except in the south-western parts of the District.

No. 752. From Collector, Mangalore, to Chief Secretary, Madras, dated 27th August 1866.

Season continues promising. Rain-fall good. Prices high, but declining. Markets well supplied. Public health good. Pasture abundant.

No. 753. From Collector, Calicut, to Chief Secretary to Government, Madras, dated 27th August 1866.

Season favorable. Rain-fall sufficient. Price, markets as before. Public health good. Pasture good.
