No. 758. Read the following Proceedings of the Board of Revenue, dated 17th August 1866, No. 5,806.

Read the following papers :—

Board's Proceedings, dated 18th January 1866, No. 413.

Letter from the Collector of Nellore, to the Secretary to the Board of Revenue, dated 9th May 1866, No. 128.

1. I have the honor to acknowledge the receipt of the Board's Proceedings, dated 18th January last, No. 413, observing that the remission of the proportion of quit-rent, recommended by me in the case of Puranam Chenchu Subbia, was a matter of course, and that compensation for loss of income is also due to the Inámdar.

2. In reply, I beg to state that for the twenty-eight cents of the Inám in question, Rupees 7-0-5 were paid to the holder thereof on the 28th April 1862 as compensation.

3. The Inámdar was ordered to apply for fresh land. He requested instead to have a reduction from the quit-rent ; and the delay was thus caused by himself.

4. The Inámdar, I beg to add, has laid no claim for any further compensation, and, under these circumstances, the Board will be perhaps of opinion that the arrangements proposed will meet the requirements of the case, and pending the receipt of orders, I will defer further action in the matter.

From the same Officer, dated 27th July 1866, No. 229.

1. I have the honor to acknowledge the receipt of your Official Memorandum, dated the 5th ultimo, No. 544, calling for information as to the time for which the compensation of Rupees 7-0-5 was paid to Puranam Chenchu Subbia in 1862, and the date from which the reduction of quit-rent recommended by me is to have effect.

2. In reply, I beg to state that the compensation referred to was paid in consideration of the expense incurred in reclaiming and improving the land originally, and has, therefore, no reference to a period.

3. As the Inámdar had the option of selecting fresh land, and eventually made his application for a reduction from the quit-rent in 1864-65, I would recommend that the reduction be made from that year.

---

1. Ordered that the above papers be submitted to Government with the Board's recommendation that the Collector of Nellore be authorized to reduce permanently the quit-rent payable by the Inámdar, Puranam Chenchu Soobbiah, from Rs. 3-12-0 to Rupee 1-15-6, the difference being the assessment on twenty-eight cents of his Inám appropriated for the Krishnapatam Canal and its branches, and the reduction to have effect from Fusly 1274.

2. The Collector's letter, dated 13th April 1865, No. 67, to which he alludes in his letter, dated 27th December 1865, read in the Board's Proceedings herewith submitted, contained a proposition for the grant of fresh land in the case of other Inámdars whose lands were also taken for the canal above-mentioned, and was duly submitted to Government, and the arrangement sanctioned in Government Order, dated 7th August 1865, No. 1,825.

3. In the present case, the Collector reports that the Inámdar is unable to find fresh land, and that he has been already paid Rupees 7-0-5, in consideration of the expense incurred in reclaiming and improving the land which has been since taken from him.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 18th January 1866.

Read the following letter from J. W. B. DYKES, Esq., Collector of Nellore, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated 27th December 1865, No. 342:—

1. In continuation of my letter, dated 13th April 1865, No. 67, in which five cases of compensation were shown as remaining undisposed of, in consequence of the parties having failed to select the fresh land that can be granted to them in lieu of Inams, &c., taken up for the Krishnapatnam canal and its branches, I have the honor to report that one of them, named Puranam Chenchu Subb'a, is unable to find fresh land.

2. The Gudur Tahsildar in his Urzi, dated 23rd ultimo, No. 220 (S.), states that the total Inam held by the said individual in the village of Valluru is given at A. 1, Cents 76 of rice land, assessed at Rupees 9-15-10, at the rate of Rupees 17-12-0 per gorru; that the quit-rent fixed thereon is Rupees 3-12-0; and that 28 cents out of the said Inam was taken up for the purpose aforesaid, the proportionate part of the assessment due thereon being Rupee 1-12-6, which I request sanction to remit permanently from the quit-rent, (Rupees 3-12-0,) which will thus be reduced to Rupee 1-15-6.

3. The attention of the Tahsildars has been called for the speedy adjustment of the remaining four cases also.

---

1. The remission of the proportion of the quit-rent properly chargeable on the extent of the Inam taken up for public purposes is a matter of course, but compensation for loss of income is also due to the Inamdar.

2. The Collector should calculate the amount due in compensation for this loss, and apply for sanction to disburse it from the Public Works Budget provision.
