Proceedings of the Madras Government, Revenue Department,
29th August 1866.

No. 760. Read the following Proceedings of the Board of Revenue, dated 11th August 1866, No. 5,593.

Read the following letter from the Collector of Madura, to the Acting Secretary to the Board of Revenue, dated 20th July 1866, No. 235:—

1. I have the honor to report the death, on the 12th June last, of Muttusawmi Uddapa Naick, the Poligar of Uddapa Naicknur, an unsettled Polliem in the Talook of Tirumungalum.

To Board, 25th December 1859, No. 253.
From do., 11th January 1860, ,, 142.
Do. do., 27th do. ,, ,, 488, communicating Government Order, 24th January 1860, No. 121.

2. From the correspondence noted in the margin, it will be observed that the deceased Poligar succeeded to the estate in 1860, while he was sixteen years old, on the demise of his half brother, Vellachami Uddapa Naick, leaving no male issue. The estate being but a small one, Mr. Clarke thought it unnecessary to take it under the Court of Wards, and recommended the nomination of his mother as guardian, and of his father-in-law as Manager of the estate. This arrangement was sanctioned by the Government, and Mr. Clarke was, however, required to exercise a general control over the estate.

To Board, 28th February 1862, No. 37.
From do., 6th March ,, ,, 1,504.

3. The deceased was placed in charge of the Polliem in 1862, on his attaining his majority, as will be seen from the original correspondence.

4. He married two wives, both of whom survive their husband. His first or Pottam wife, Papamal, has a son of seven years, named Tirumala Muttulinga Tambia Vellachami Uddapa Naick.

5. Second wife, Sakara Ammal, has a son by name Muttulinga Kristnasawmi Naick, and a daughter called Muttukristnamal, the former being seven years, and the latter five years old.

6. The deceased Poligar was of the Kumbala Totier caste, and, according to the law of succession maintained in this District among these people, his son by his senior wife should succeed to his estate. I, therefore, request that he may be recognized as the Poligar of Uddapa Naicknur.

7. The annual Peishcush of the estate is Rupees 2,583-15-4, and its revenue about 6,478 Rupees. There is no balance of Peishcush against it.

8. Considering the age of the Minor, and the circumstances of the estate, I beg to recommend that Papamal, the mother of the Minor, be appointed his guardian, and his paternal uncle, Sivalingasawmi Naick, the younger brother of the deceased, alluded to in Mr. Clarke's letter of the 23rd December 1859, be appointed as Manager of the estate.

9. This Sivalingasawmi Naick is twenty-four years of age, and has experience, and is competent to manage the estate. He also on several occasions managed the affairs of the Polliem during the absence of his late brother.

10. I do not think it necessary to take this petty estate under the immediate management of the Court of Wards, but would exercise a general control over it, as was practised during the minority of the deceased.

Proceedings of the Madras Government, Revenue Department,
29th August 1866.

1. The Collector's proposals will be recommended for the sanction of Government.

2. He will, however, report what arrangements are proposed for the education of the Minor, to which subject his special attention must be directed.

No. 761. ORDER THEREON, 29th August 1866, No.-2,259.

Land Revenue.

1. The estate of Uddapa Naiknoor being an "unsettled" Pollium, the nomination of a successor depends entirely on the will of Government. The Governor in Council, in the exercise of this prerogative, resolves to nominate Tirumala Muttulinga Tambia Vellachami Uddapa Naick to be Poligar in succession to his father, the deceased Poligar.

2. So long as the estate is properly managed, and satisfactory arrangements are made for the education of the children, the intervention of the Court of Wards is unnecessary. The Collector should exercise a general control in both respects.
