Proceedings of the Madras Government,
Revenue Department.

Referring, for consideration and orders, a letter from the Acting Superintendent of Revenue Survey, requesting the transfer of Lieutenant Freeth to the Staff Corps, from the date of his original application, *viz.*, 15th August 1864. } Here enter 5th April 1866, No. 781.

Memorandum from the Assistant Adjutant General, Fort Saint George, 7th August 1866, No. 307; to the Secretary to Government, Military Department.

The Assistant Adjutant General has the honor, by order, to forward to the Secretary to Government, Military Department, letter dated 15th August 1864, from Lieutenant W. Freeth, 20th Brigade, Royal (Madras) Artillery, forwarding prescribed certificates, and soliciting admission to the Staff Corps, as required in memorandum, dated 3rd August 1866, the enclosure of which is returned herewith.

From Lieutenant W. FREETH, 20th Brigade, Royal Artillery, doing duty Civil Engineering College, Chepauk, 15th August 1864, No. 1; to the Principal of the Civil Engineering College, Madras.

I have the honor to request that you will forward, for the sanction of His Excellency the Commander-in-Chief, this my application to be transferred from the Royal Artillery to the Madras Staff Corps.

I am aware that orders have been issued that no appointments are to be made to the Staff Corps till further instructions are received from the Secretary of State for India, but I hope that my name may be recorded as a candidate, and I beg to enclose the requisite certificates, one from my Commanding Officer, and another from a Medical Officer.

Certified that Lieutenant W. Freeth of B Battery, 20th Brigade, Royal Artillery, a candidate for the Madras Staff Corps, completed three years' duty with a Battery on the 31st December 1862—the whole period of which was spent in India.

Lieutenant W. Freeth has passed the examination in the native languages, which qualifies for Staff employment, and has attained such a knowledge of his drill and duty, as an Officer of Artillery in all its branches, as to qualify him for the Command of a Battery in all situations. He also possesses a fair knowledge of the Articles of War and of the Queen's Regulations, as well as of the Military Regulations of the Madras Presidency, besides having gained some general acquaintance with the organization and nature of the duties of all branches of the Army serving in the Madras Presidency.

I further certify that, during the period Lieutenant Freeth has served with this Battery, he has been attentive to his duty, and that his conduct has been in all respects unexceptionable.

WALTAIR, } Signed) J. M. MACINTYRE, Captain,
3rd August 1864. } Comdg. B Battery, 20th Brigade, Royal Arty.

I certify that to the best of my belief Lieutenant William Freeth, Royal Artillery, is in good, bodily health, and apparently well capable of undergoing the vicissitudes of service in India.

(Signed) D. MACFARLANE, M. D.,
Garrison Surgeon, Fort Saint George.

MADRAS, 15th August 1864.

From the Principal of the Civil Engineering College, Chepauk, 15th August 1864, No. 225; to the Adjutant General, Fort Saint George.

Forwarded with my recommendation for the favorable consideration of His Excellency the Commander-in-Chief.
