No. 792. Read the following Proceedings of the Board of Revenue, dated 2nd August 1866, No. 5,306.

Read the following letter from the Collector of the Godavery District, to the Secretary to the Board of Revenue, dated Cocanada, 2nd June 1866, No. 120:—

1. I have the honor to forward, for submission to Government, copy of a letter, No. 10, dated 8th ultimo, from the Superintending Engineer, 1st Division, together with a fresh estimate, amounting to Rupees 39,720, for constructing a road from Ellore to Hyderabad Frontier, *viâ* Chintalapudi, and to request that you will be good enough to obtain their sanction for the same.

2. This work having been sanctioned* in the Supplemental Budget of Local Funds for 1865-66, at an estimated cost of Rupees 25,000 from Ellore to Chintalapudi only, it was commenced last year, and a sum of Rupees 1,739-11-3 has been spent up to 30th April last, out of an allotment of Rupees 3,000. In the estimate submitted with my letter, dated 24th June 1865, No. 116, it is stated in the Remark column that plan and estimate for this work will be sent shortly.

* Government Order, No. 2,634, dated 27th October 1865, Revenue Department, communicated with Board's Proceedings, No. 7,031, 2nd November 1865.

3. In the Budget for the current year, a sum of Rupees 4,600 is provided for expenditure on this work.† It will be observed that the road will be finished in three years, at a cost of Rs. 12,000 in each year, as stated by the Superintending Engineer. As the project is one of much importance, and its early completion is very desirable, I propose to lay out in the current year, on the work, a further sum of Rupees 7,400, being the difference between the allotment of Rupees 4,600, sanctioned for the current year, and the amount of Rupees 12,000 required by the Superintending Engineer.

4. Sufficient funds are now available to meet the above proposed additional outlay, as a larger balance remained, on the 30th April last, than was estimated, as shewn in the margin; and sanction may, therefore, be accorded for the same.

From the Superintending Engineer, 1st Division, to the Collector of the Godavery District, dated Waltair, 8th May 1866, No. 10.

1. I have the honor to forward the accompanying estimate* for submission to Government for sanction.

* Road from Ellore to the Hyderabad Frontier, viâ Chintalapudi.

2. The work was commenced last year, and Rupees 4,600 is appropriated for it in the Local Funds Budget for the current year.

3. The length of road for which the estimate provides is thirty-eight miles, *i. e.*, up to the Hyderabad boundary. Bridges for the two branches of the Yerracalwa, which cross the line of road* beyond Chintapilly, are not included in this estimate. Estimates for them will be prepared separately, ready in case you may find yourself able to appropriate funds for them either in this or future years.

* At three points.

4. If sufficient funds be available, the road may be completed as far as Vizaroye in the current year, to Chintalapudi in next year, and be finished in 1868-69 : the funds required would be 12,000 Rupees in each year.

ENCLOSURE No. 2.—Estimate.

The estimate, amounting to Rupees 39,720, will be submitted for the sanction of Government. Sanction will be also requested for a further expenditure of Rupees 7,400 on the road in the current year, as funds are available, and the work is considered of much importance. On the receipt of the sanction of Government, the Accountant General will be requested to place the amount at the disposal of the Public Works Department.
