*Proceedings of the Madras Government, Revenue Department,
25th January 1866.*

No. 447. Read the following Proceedings of the Board of Revenue, dated 12th January 1866, No. 261.

Read the following letters—

From the Collector of Malabar, to the Secretary to the Board of Revenue, dated Palghaut, 22nd December 1865, No. 275.

1. An important Bridge, on the road from this to Kolangod, was carried away lately.
2. An estimate for a new Bridge, amounting to Rupees 8,000, has been approved by the Superintending Engineer and myself.
3. There is an entry in the District Road Fund Budget for 1866-67 of Rupees 8,000, for the road.
4. I think the re-construction of the Bridge of more importance than the completion of the improvement of the roadway, and the Range Officer informs me, that, if the sanction of the expenditure is guaranteed, he can make arrangements that will enable him to provide passage over the river by next monsoon.
5. This is very desirable, and I request the Board's instruction as to whether I can inform the Range Officer that the work for next year will be sanctioned.

From the same Office dated Calicut, 3rd January 1866, No. 1.

Adverting to my letter of the 22nd December 1865, No. 275, I have the honor to send plan and estimate for a new bridge at Kolangod, in place of the one lately carried away.

ENCLOSURE No. 1.—Plan.
