Proceedings of the Madras Government, Revenue Department,
30th August 1866.

No. 808. Read the following Proceedings of the Board of Revenue, dated 20th August 1866, No. 5,902.

Read the following letter from the Acting Collector of Trichinopoly, to the Secretary to the Board of Revenue, dated Marangapury, 13th August 1866, No. 148 :—

Dated 23rd July 1866, No. 5,058.

In forwarding herewith the Statement referred to in the 12th paragraph of my Report on the progress of Public Works, reviewed in the Board's Proceedings noted in the margin, I have the honor to state, for the information of the Board, that the total number of irrigation works for the year under review is 4,443, or 87 in excess of the number of works of the preceding year. This slight increase is partly attributable to the fact that some of the villages of the Wodiarpolliem Talook of this District were transferred in the last year to the Chellumbrum Talook of South Arcot, and partly to some of the irrigation works that were inadvertently not included in the list for the past year 1864-65, having been added to the accompanying list of works.

Statement shewing the whole irrigation works in the District of Trichinopoly.
