Proceedings of the Madras Government, Revenue Department, 30th August 1866.

No. 830. Read the following letter from the Commissary General, to the Chief Secretary to Government, Fort Saint George, dated Madras, 30th August 1866, No. 2,686 :—

No. 2,273, dated 29th August 1866.

1. With reference to the Order of Government received late last night, I have the honor to inform you that the Indian Carrying Company has intimated to me their inability to take up more grain to Bellary for the future, except at an increased rate of hire; this Company has already received 400 bags, and there are now ready 240 more, which complete the ten garces I was* ordered to purchase. These I shall despatch this day to Bangalore, and have sent a telegram to the Executive Commissariat Officer there (Major Watts), asking him to receive and send on the grain to "Seerah" (by public cattle), at which place the Collector of Bellary should, if possible, make arrangements for its further progress.

* No. 2,141, dated 18th August 1866.

2. I trust these arrangements, which are the best I could think of for affording immediate relief, may be approved by Government.

No. 831. ORDER THEREON, 30th August 1866, No. 2,294.
