Rupees 80 paid annually by remissions from the Beriz of two (1765,) it is stated that a grant of twenty Hoons No. 4, situated at Matapadi village, in Magani, and Mul- li No. 17, situated at Casbah vil- lage in Nilavar Magani.	In an order issued by Nawab Hyder Ally Khan Bahadur to Anantaya on the 10th Vaishaka Bhola of the former Parthiva, (corresponding with A. D. 1765,) it is stated that a grant of twenty Hoons No. 4, situated at Matapadi village, in Magani, and Mul- li No. 17, situated at Casbah vil- lage in Nilavar Magani. The original document taken by him in the affair of Tingalla Hegade, and that the same should accordingly be continued to him without interruption. Subsequently this grant was once resumed under Tippoo's government, but again continued agreeably to an order issued by him to the Amil N. B.—In addition to the above, four other documents have been produced by the present claimant, as connected with his Inam, viz:— (1) A Jahirnamah, or declaration, dated 15th Chaitra Shudh of Sowmya, (Mahomedan year 1217,) bearing the signatures of the village people, and which shows that the Inam of twenty Bhadari Hoons was regularly paid agreeably to the original Sunnud until the year Shobakrutu of the late Cyclo, when one list of that year was attached, and that in the year Krodhi the whole Inam was resumed. (2) A copy of an order purporting to have been issued by Asuf Sayed Mahomed Sadak to the Amil- dar, on the 14th Bhadrapada Shudh of Pramaticha, (Mahomedan year 1221,) directing that the Inam should be continued, as an order had been received by him from the Amil Beg to Monegar Ali Khan on the 10th Asvija Bahula of Pramaticha, directing him to continue the Inam agree- ably to the above order. (4.) Another order issued by Inam Beg Asuf to Husen Khan Amil in the year Nala, (Mahomedan year 1224,) directing him to have the Inam re- gularly paid; this order is in original, and is signed and sealed.	Reward for service per- formed.	Bhudra Ven- kata Ghiriappa, who died on the 26th November 1857. The deceased was the son of Timmaya, the holder of the grant, on the Company's ac- cession.	The full amount of the grant, Rs. 80.	1 Ghiriappa, second wife of the deceased, aged thirty-four years. Children by the first wife. 1 Timma alias Nagappa, son of the deceased, aged twenty-seven years. 1 Subraya, aged eighteen years. 1 Venkatramana, aged six and a half years. 1 Subbi, second wife of Timma alias Nagappa, aged sixteen years. 1 Sheshamma, daughter of Timma, by his first wife, aged seven years. 1 Nagamma, sister of Sheshamma, aged three years. 1 Subbi, wife of Subraya, aged fifteen years.	This grant was a reward for ser- vice performed by the grantee. In the original Sunnud granted by Nawab Hyder Ally Khan Bahadur, on the 10th Vaishaka Bhola of the former Parthiva, corresponding with A. D. 1765, and produced by the heir of the holder, it is only stated that the said grant should be paid regularly, and not that it should be continued from father to son in succession. The grant appears to have been once resumed, and again continued dur- ing the government of Tippoo, but the original Sunnud under which it was so renewed is not extant. After the demise of the original grantee (Bhadra Timmaya,) the grant was continued to his widow and son Venkata Ghiriappa. It is now claimed by Nagappa (son of the said Venkata Ghiriappa). In reporting upon this case on the 27th March 1860, Mr. Fisher, the then Collector, observed that, con- sidering the circumstances of the case, he thought that the service performed by the grantee's heirs made for upwards of ninety years. I would, however, leave the deci- sion of this case to the Board. A copy of the translation of the original Sunnud, which accompani- ed Mr. Fisher's report, is here- with forwarded.

*Proceedings of the Madras Government, Revenue Department,
31st August 1866.*

1. In the Board's Proceedings above read, the particulars of this allowance of eighty Rupees per annum were briefly recapitulated, and the opinion expressed that the grant at length of time under which the grant was enjoyed under a good title constituted a vested right under the Inam rules; but as the Inam Commission had then been appointed, the case was left for the disposal of that Department in due course. It has, however, been since decided (Government Order, dated 26th March 1866, No. 748,) that the few actual Inams in South Canara should be left to the Collector to be disposed of, and hence the present case has again come before the Board and is submitted for the orders of Government.
2. The Board recommend that the allowance be continued to Nagappa, the son of Bava Venkata Ghiriappa, the last holder and son of the original grantee.
3. In the event of the Government adopting the above recommendation, the Collector will forward to the Board a Statement of the arrears of the allowance that will be due from the date of the death of the last holder, viz., 26th November 1857, up to the present time, or for such period as the arrears may be actually due.

ORDER THEREON, 31st August 1866, No. 2,302.

Miscellaneous.

The Board will be good enough to report, after reference to the Collector, whether this particular grant is not one of those which the Collector has been directed in G. O. 26th March 1866, No. 748, to arrange in four lists and submit for orders as soon as possible.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 1st May 1860.

Read Tabular Report, dated 27th March 1860, on a lapsed Inam in the District of South Canara.

(In Con. 11th April 1860, No. 1,601.)

The Grant in this case was made by Hyder Ali in A. D. 1765, in reward for public services, and consists of an assignment of a portion (Rupees 80) of the Government annual demand against certain Estates specified. It was resumed by Tipptu, apparently, when he resumed all Inams throughout Canara, but was again conferred by a distinct order. The relationship of the last holder to the original grantee, is not clearly stated, but he appears to have been either the son or the grandson, and the Inam is now claimed by the son of the deceased. The Collector, however, considers that the service performed has been sufficiently rewarded by an enjoyment of upwards of 90 years, but he makes no distinct recommendation in the matter.

2. The Board observe, that such an assignment of Public Revenue as was made in the case was as essentially an Inam Grant in Canara, where the land is private property, and could not be conferred by the State, as was a Grant of land on Inam tenure elsewhere; and they, therefore, consider that the case should be left for disposal by the Inam Commissioner, under the Orders of Government, dated 8th July 1859, Revenue Department, No. 905, and 26th July 1859, Revenue Department, No. 1,003, the liberal principles of which admit that length of enjoyment under a good title constitutes a vested right, rather than an argument for resumption.
