Proceedings of the Madras Government, Revenue Department,
31st August 1866.

No. 848. Read the following letter from the Collector of the Kistna District, to the Secretary to Government, Revenue Department, Fort Saint George, dated Masulipatam, 21st August 1866, No. 30 :—

1. A number of articles of jewelry, which were discovered after the cyclone of November 1864, having remained unclaimed in this Office up to November 1865, were advertised in the District Gazette for sale, and no claimants having subsequently appeared, they have now been sold by auction, the entire sum realised being Rupees 274-3-0.

2. The articles were mostly of very small individual value, and were all undoubtedly the property of those who perished during the inundation.

3. Under these circumstances, instead of crediting Government with the proceeds, I would solicit the sanction of the Government to paying the amount to the Committee for the General Famine Relief Fund.

No. 849. ORDER THEREON, 31st August 1866, No. 2,304.
