*Proceedings of the Madras Government, Revenue Department,
4th September 1866.*

No. 53. Read the following letter from the Officiating Conservator of Forests, to the Secretary to Government, Revenue Department, Fort Saint George, dated Camp, Ootacamund, 21st August 1866, No. 1,925 :—

The Head Forest Overseer of Salem District has hitherto only received a salary of Rupees 60 + 30 travelling allowance, and the Writer only a salary of Rupees 20 per mensem; these salaries are considerably below what is paid in most other Districts, and the work in Salem having largely increased of late, Lieutenant Walker, the Deputy Conservator, reports that he cannot get men to hold these appointments on the sanctioned rates. I have the honor to request that you will obtain the sanction of Government that the Head Overseer may be promoted to the first-class, with a salary of Rupees 100 + 30 travelling allowance, and that the Writer's pay may be increased to Rupees 30 per mensem. The increase per mensem will be Rupees 50, and can be met from the Budget grant for establishments, and I may add that the revenue from the Salem Forests is steadily increasing, and fully authorizes this additional expenditure.

No. 54. ORDER THEREON, 4th September 1866, No. 2,341.

Forests, No. 2.

Before sanctioning the Conservator of Forests' proposals, the Government wish to be furnished with a Memorandum shewing the receipts and charges of the Salem Forests for the last three years.
