*Proceedings of the Madras Government, Revenue Department, 5th September 1866.*

No. 98. Read the following Proceedings of the Board of Revenue, dated 21st August 1866, No. 5,959.

Read the following Telegram from the Collector of Bellary, to the Secretary to the Board of Revenue, dated 21st August 1866 :—

The object of asking for the supply of grain was to relieve the extreme pressure of high prices and consequent distress ; it could have been employed either in distribution to the Relief Committees for the support of the infirm poor, or else given in lieu of wages to the employed poor, in either case lessening the local demand ; but as certain local Merchants have since agreed to import grain from Madras, if they can get it at a rate to save themselves from loss, I trust that importation on Government account may not be requisite.

Ordered to be submitted for the information of Government.

No. 99. ORDER THEREON, 5th September 1866, No. 2,357.

Miscellaneous.

Ordered to be recorded.
