*Proceedings of the Madras Government, Revenue Department,
5th September 1866.*

No. 111. Read the following Despatch from the Right Honorable the Secretary of State for India, (Public,) to His Excellency the Right Honorable the Governor in Council, Fort Saint George, dated India Office, London, 31st July 1866, No. 31:—

1. I have considered in Council your letter, in the Revenue Department, dated the 24th April (No. 17) 1866, forwarding a letter from Mr. Clements Markham, recommending, for reasons therein stated, the grant of a pension of Rupees 500 per annum to Mr. Spruce, the Collector of the Chinchona Succirubra, of which a very large number of plants has been successfully planted out in the Neilgherry plantations.

2. There are not, in my opinion, sufficient grounds for the unusual course of granting a pension to Mr. Spruce on account of the introduction of the Chinchona Succirubra; but in recognition of the advantages derived by India from the services of that individual, I have granted to him a further donation of £200.

No. 112. ORDER THEREON, 5th September 1866, No. 2,364.

Miscellaneous.

Ordered to be recorded.
