Proceedings of the Madras Government, Marine Department, 27th August 1866.

No. 44. Read the following letter from J. J. FRANKLIN, Esq., Superintendent of Marine, to the Chief Secretary to Government, Fort Saint George; dated Madras, 31st July 1866, No. 2992.

Referring to the Order of Government recorded in their Proceedings of 29th May last, No. 132, I have the honor to bring to notice that the Resolution of the Government of India, Financial Department, of the 15th December 1865, No. 3524, cannot be considered as applying to the lower grades of the Uncovenanted Service, who are not entitled to cabin passage. Under the Orders of Government of the 15th November 1865, No. 246, Uncovenanted Officers drawing less than 250 Rupees a month are entitled only to intermediate or second class passage; and those drawing less than 100 Rupees, to Warrant Officers' passage. The Government would have to pay but 3 Rupees a day for their messing, and, of course, it cannot be the intention to recover from the passenger 4 Rupees a day, the lowest rate mentioned in the Resolution of the Government of India as recoverable from an Uncovenanted Servant.

2. No recovery on account of messing is made from a Military servant of the Warrant Officer's grade, and I would respectfully submit that none should be insisted on from an Uncovenanted Servant entitled to similar passage.

No. 45. ORDER THEREON, 27th August 1866, No. 205.

The Governor in Council agrees with Mr. Franklin, and resolves to supersede so much of G. O., of the 29th May last, No. 132, as declares that Civil Officers entitled to the free passage of a Warrant Officer are liable to a recovery of table money, at the fixed rate, if they are messed on board.
