No. 705. Read the following letter from the Superintending Engineer, 6th Division, to the Secretary to Government, Department Public Works, dated Mathookoor, 20th August 1866, No. 570 :—

1. I have the honor to inform you that the brick-field, for the purchase of which Rupees 550 was sanctioned on the 22nd April 1863, has been exhausted.

G. O. No. 996.

2. An offer of Rupees 470 has been made for the ground, and I would solicit permission to sell the brick-field by public auction, making Rupees 470, the reserved price.

3. It is not proposed to purchase a brick-field at present, as a difficulty has arisen relative to the proprietorship of a piece of ground at a site selected by the Range Officer, from which good earth can be obtained, and which is conveniently situated, and the Range Officer is of opinion that contractors in Trichinopoly will be able to supply all the bricks likely to be required by this Department at reasonable rates even if we have no brick-field to fall back upon.

No. 706. ORDER THEREON, 31st August 1866, No. 2,762.

ESTABLISHMENT, No. 74.

Vide G. O., Public Works Department, No. 664, dated 18th March 1863.

Under the circumstance explained by the Superintending Engineer of the 6th Division, the Government authorize the sale, through the Collector, of the brick-field at Trichinopoly which is referred to in this letter.
