Proceedings of the Madras Government, Judicial Department, 28th August 1866.

No. 305. Read the following letter from the Accountant General, Madras, to the Chief Secretary to Government, Fort Saint George; dated Fort Saint George, 18th August 1866, No. 165.

Budget and Resource Department.

With reference to the Orders of Government, Judicial Department, No. 928, dated 12th June last, which sanctioned extra allowances, amounting to Rupees 57 per mensem, to the Apothecary in Medical charge of Convicts at Neddiwuttum, and ruled that the charge should be debited to the Chinchona estimates, I have the honor to observe that this mode of adjustment will militate against the orders of the Government of India, Financial Department, No. 3342, dated 16th December 1865, under which the entire Civil emoluments of a Medical Officer in Civil employ are chargeable to *one* Head of Service, viz., that to which the substantive salary, or that drawn for the principal duties of the Medical Officer is debited. As it is understood that the duties of the Apothecary at Neddiwuttum will be chiefly connected with the Jail at that station, and as the extra allowances granted to the Apothecary and Assistant Apothecary at Kotagherry and with the Lawrence Asylum working party at Ootacamund are adjusted like ordinary Jail charges under the Head of "Law and Justice," I would suggest a reconsideration of the above Judicial Order, in view to the amount sanctioned therein being also taken under the same Head.

No. 306. ORDER THEREON, 28th August 1866, No. 1347.

The charge in question will accordingly be debited to "Law and Justice."
