No. 218. Read the following letter from the Resident, Hyderabad, to the Collector of Bellary, dated Hyderabad Residency, 29th August 1866, No. 1,611:—

With reference to your telegram of the 18th instant, relative to the prices of several kinds of grain in the Bellary District, I have the honor to inform you that prices here are nearly as high as with you. We are assisting the grain dealers with Government cattle to bring in grain, and as yet the daily importation does not equal the daily consumption, so it is very improbable that any grain will be sent from here.
