Proceedings of the Madras Government, Revenue Department,
11th September 1866.

No. 251. Read the following Proceedings of the Board of Revenue, dated 21st August 1866, No. 5,946.

Read the following letter from the Collector of Vizagapatam, to the Secretary to the Board of Revenue, dated 25th April 1866, No. 341:—

1. In paragraph 52 of the Proceedings of the Board, dated the 27th ultimo, No. 2,162, it is remarked that the rate of salt wastage in this District and four others is high, and that until explanation is given, the Board will not recommend the wastage for remission.

2. In the year under review by the Board, the wastage here was something more than seven per cent.; and the year before it was a little over 8¾ per cent. The storing in which this larger figure appears was passed (as I mentioned in my No. 496 of the 6th of September 1864) by the late Deputy Collector, Jagannayukulu Naidoo. Mr. Leggatt, I hoped, would remain here and put things on a better footing, he having had considerable experience in salt. But he went, and if the degree of improvement in the wastage is not more than 1¾ per cent., I do not know that the local officers can be blamed, the special circumstances of the District considered, in respect of which I beg leave to mention, that, if the Government have disposed of my report on salt matters, No. 658, of 2nd September 1865, the result has not yet been communicated to me.

---

1. Resolved that the foregoing letter be submitted to Government, with the Board's recommendation that, under the circumstances stated by the Collector, sanction be granted for writing off the wastage of salt, which occurred in the Vizagapatam District during Fusly 1274, amounting to Indian Maunds 15,457 and 18 Seers.

2. The Board observe that the Collector's letter, dated 2nd September 1865, was disposed of in their Proceedings, dated 16th October 1865, No 6,555, submitted to Government.

No. 252. ORDER THEREON, 11th September 1866, No. 2,433.
