No. 374. Read the following letter from the Acting Secretary to the Board of Revenue, to the Acting Secretary to Government, Revenue Department, Fort St. George, dated Madras, 9th September 1868, No. 6,409:—

1. With reference to Government Order, dated 4th ultimo, No. 2,089, I am directed to state that in districts which have been regularly surveyed and settled, there will be no difficulty in supplying the Registration Offices with copies of the Maps and Land Registers; the former being lithographed, and the latter printed.

Trichinopoly. Part of Kistna.
Kurnool. Do. South Arcot.
Godavery.

2. It would be impossible, however, except at considerable expense, to keep the Registration Offices acquainted with all subsequent changes as they occur; and, unless this be done, the Maps and Registers will not be of much practical use, and indeed may mislead.

3. Any person interested in land can always obtain a certified extract from the Collectors' Register on application, and if such information as the Collectors' books can afford be needed by the Registration Officers, this is the easiest and safest way of obtaining it.

4. For Government purposes, there is nothing to be gained by furnishing copies of the records in question to the Registration Officers.

No. 375. ORDER THEREON, 24th September 1868, No. 2,473.

Miscellaneous.

The Government desire to have the Board's opinion, whether or not it is desirable to exempt from compulsory registration the Settlement and Survey records now included in the Schedule of the Draft Act.

Acting Secretary to Government.
