No. 415. Proceedings of the Board of Revenue, dated 19th January 1866, No. 468.

Read the following letters:—

From the Officiating Inam Commissioner, to the Acting Secretary to the Board of Revenue, dated Coimbatore, 8th November 1865, No. 32.

In reply to the Proceedings of the Board of Revenue, under date the 27th ultimo, No. 6,902, I have the honor to state that the average annual value of the Dittum and Eavoo Inams, in the District of Tinnevelly, has been recorded by the Deputy Collectors of this Department in the Registers prepared by them. The rate and amount of quit-rent chargeable in each case for enfranchisement have been also determined.

From the Collector of Tinnevelly, to the Acting Secretary to the Board of Revenue, dated 22nd November 1865, No. 446.

In reply to the Proceedings of the Board of Revenue, dated 27th October 1865, No. 6,902, I have the honor to state that I see no objection to the payments of the average annual value of Dittum and Eavoo Inams being made direct to the Inamdars from the Treasury, pending their commutation into grants of land.

1. In reference to the Board's inquiry in their Proceedings, dated 27th October 1865, No. 6,902, the Officiating Inam Commissioner states that the average annual value of Dittum and Eavoo Inams has been recorded in the Registers of his Department, and the Collector sees no objection to payment of this value being made direct to the Inamdars from the Treasury, pending their commutation into grants of land.

2. The Board also are of opinion that the proper plan will be for the present to make money payments from the Treasury, instead of deductions from the Ryots' holdings, and paying the Inamdars from the gross collections, without the amount being brought to any account. This is necessary pending the assignment of lands in all cases, except those of village officers, and the commutation for land cannot now be made, as it will be some time before the survey and settlement of the district are completed. In their letter to Government, dated 21st July 1863, No. 4,490, the Board have already expressed their opinion in the case of these Inams, that it will be fairer to the individuals, and to the institutions concerned, to defer this commutation till the revised settlement has more accurately adjusted the revenue value of the lands.

3. Under these circumstances, and as the course now approved is in accordance with the Government orders regarding Kistbundy beriz deductions, the Board request the Collector to prepare, in communication with the Inam Commissioner, a detailed Statement shewing the money payments to be made to the several Inamdars, and submit it to the Board as early as possible, in view to the sanction of Government being obtained for the payment. The Inams relating to the Village Revenue and Police servants need not be included in the Statement, but the deductions on this account should in future be made from the aggregate demand or gross beriz of the village, and not from the Ryots' holdings, as heretofore.

No. 416. Proceedings of the Board of Revenue, dated 6th June 1868, No. 4,191.

Read the following letter from the Collector of Tinnevelly, to the Secretary to the Board of Revenue, dated 6th April 1868, No. 140.

In Proceedings, No. 1,970, dated 19th ultimo, the Board sanctioned the disbursement of Rupees 26,735-5-4 as Eavoo and Dittum Maniem for Fusly 1277; a like amount is, however, due for Fusly 1276, the full beriz of the lands having been brought to account. I have, therefore, the honor to request sanction for a further payment of Rupees 26,735-5-4.

The Collector requests sanction for the payment of Rupees 26,735-5-4 as Eavoo and Dittum Maniem for Fusly 1276, as the full beriz of the lands has been brought to account. The Collector is requested to explain under what authority the full beriz was brought to account in Fusly 1276. In the meantime the sum sanctioned for Fusly 1277 should, at once, be disbursed to the Maniemdars on account of Fusly 1276, and the Collector should submit his application for Fusly 1277, with the explanation now called for.

No. 417. Proceedings of the Board of Revenue, dated 10th September 1868, No. 6,436.

Read again letter from the Collector of Tinnevelly, dated 6th April 1868, recorded in the Board's Proceedings, dated 6th June 1868, No. 4,191.

Read also the following letter from the Collector of Tinnevelly, to the Acting Secretary to the Board of Revenue, dated Tenkasy, 3rd August 1868, No. 327.

1. In reply to Board's Proceedings, No. 4,191, dated 6th June last, I have the honor to state that the Board in Proceedings, No. 468, dated 19th January 1866, called for a detailed Statement of the money payments to be made to the Eavoo and Dittum Inamdars, and at the same time ordered the full beriz of the Inam lands to be brought to account from Fusly 1276.

2. I therefore request sanction for the disbursement of Rupees 26,735-5-4 as Eavoo and Dittum Maniem for Fusly 1277.

Resolved that the foregoing papers be submitted to Government, and their sanction requested for the payment of Rupees 26,735-5-4 as Eavoo and Dittum Maniem for Fusly 1277. It will be observed that in the Order of Government, dated 2nd April 1868, No. 883, sanction was granted for a similar sum on account of Fusly 1277, as requested by the Board; but the Collector having reported, in the first letter above recorded, that a like amount was due for Fusly 1276, also on the ground that the full beriz of the lands was brought to account in that Fusly without the usual deduction, the Board authorized him to disburse, on account of Fusly 1276, the amount already sanctioned, submitting a fresh application for Fusly 1277. The Board's Proceedings, dated 19th January 1866, No. 468, (a copy of which will be sent to Government) quoted by the Collector in the present letter, were construed by him as authority to carry to account the full beriz of the Inam lands *from Fusly* 1276; whereas it was the intention of the Board to issue such orders only after receipt of the lists called for.
