*Proceedings of the Madras Government, Revenue Department,
29th January 1866.*

No. 498. Read the following Proceedings of the Board of Revenue, dated 8th January 1866, No. 121.

Read the following letter from the Accountant General to the Government of Madras, to the Secretary to the Board of Revenue, dated Fort Saint George, 19th December 1865, No. 3,906 :—

1. In compliance with the Order of Government, Revenue Department, No. 3,028, dated 14th December 1865, I have the honor to note in the margin, the names of those Districts in which the Treasury Accounts are defectively prepared. The Malabar Accounts are, however, slowly improving.

Kistna.
Malabar.
Trichinopoly.
Tanjore.

Coimbatore.
Madura.
Kurnool.

2. The letter, No. 3,512, dated 1st December, from this Department, was especially written to the Collector of Kistna, with reference to a very heavy "result statement" that had to be sent to that Officer.

3. The District from which the most correct returns and accounts are received is Godavery.

1. The Board observe that in the Kistna District the permanent incumbent, Deputy Collector Durmaroyen Mudali, has lately resumed charge after being for some time attached to the Board's Account Department. The Board, therefore, trust that marked improvement will be speedily visible.

2. In Malabar, which is stated to be slowly improving, the Board trust that improvement will be steadily progressive under the Acting Deputy Collector, Sri Baliyah, who was lately sent there.

3. In Trichinopoly, the Treasury Deputy Collector, Soondarum Pillay, is on the eve of retiring on pension, and an opportunity will then be afforded for putting in a more competent man.

4. In Tanjore, circumstances have been unfavorable. The late permanent incumbent after suffering for some time from ill-health, took sick leave, and lately died. The Acting incumbent, Sivaguru Pillay, who as a Tahsildar, had a high reputation for zeal and industry, has also lately been obliged to take leave.

5. Deputy Collector Srinavasa Row, who is temporarily in charge, earned a good reputation in the District and in the Inám Commission, for intelligence of a high order and industry, but his experience in the Treasury and Account Department, is of yesterday.

6. The Board would be glad to see the recently appointed permanent incumbent, Deputy Collector Seshaya Sastry, in charge of the office.

7. In Coimbatore, the Treasury Deputy, Coopoo Row, is an old servant of experience, but the Board think it probable that he is scarcely equal to the charge, in which so much that is novel has to be carried out.

8. In Madura also, the Board believe a change would be advantageous. Seshagiri Row seems scarcely equal to the duties.

9. In Kurnool, the incumbent is only temporarily employed during Nur-simah Puntulu's suspension.

*Proceedings of the Madras Government, Revenue Department,
29th January 1866.*

10. The Board are glad to learn that Jugganatham, Deputy Collector in the Godavery Treasury, conducts his business so efficiently.

No. 499. ORDER THEREON, 29th January 1866, No. 252.

Miscellaneous.

1. The Board will address Government again when they receive the replies of the Collectors to whom their Proceedings have been forwarded; but the Government wish to know why Soondrum Pillay is still in charge of the Trichinopoly Treasury, and how long he has held charge of it. His application for pension should be submitted without delay.

2. The Inám Commissioner will reply to paragraph 6 of the Board's Proceedings.
