Proceedings of the Madras Government, Revenue Department,
20th September 1866.

No. 482. Read the following Proceedings of the Board of Revenue, dated 13th September 1866.

Read the following letter from the Collector of Madura, to the Secretary to the Board of Revenue, dated Madura, 3rd September 1866, No. 298 :—

1. As directed in the Order of Government, No. 2,146, dated the 20th August, conveyed in the Board's Proceedings, dated the 24th idem, I have the honor to report on the progress of cultivation in the District; the following abstract shews that 1,41,836 acres less have been cultivated comparing last year's with the present:—

	Fusly 1275.	Fusly 1276.
Dry	2,49,337	1,51,575
Wet	56,714	30,820
Garden	20,171	1,991
Total ...	3,26,222	1,84,386

2. From reports received, the parts of the District which are in the worst state are the Talooks of Palany, Dindigul, and the Ramnad Zemindary. Good rain has fallen in the Talooks of Tirumungalum, Madura, and Melur, and in many parts of Shevagangah; part of the Periakolum Talook also has had light rain.

3. No water has come down the Viga as yet; a fresh is due in the month of September, and is anxiously looked for to enable the Ryots to prepare their paddy plants. If rain falls this month, the decrease in the dry cultivation may be made up, if not, it hardly will be this year. Wet cultivation is carried on at any time of the year as rain is received.
