PROCEEDINGS OF THE BOARD OF REVENUE, dated 13th November 1865.

Read the following letter from J. W. B. DYKES, Esq., Collector of Nellore, to R. A. DALYELL, Esq., Acting Secretary to the Board of Revenue, dated 9th October 1865, No. 230 :—

1. The receipts and disbursements of the proceeds of the toll on the anicut roadway across the Pennair at Nellore having exhibited a balance of Rupees 2,563-6-9, as per margin, on the 1st May last, at credit of our Local Funds, I called on the Officer in charge of the Nellore Range, Department of Public Works, to let me have an estimate for metalling the road from the anicut to the Nabobpet bridge; and the Officer in charge of the Nellore Range having accordingly furnished an estimate for the purpose, amounting to Rupees 2,220, the Superintending Engineer of the Division has brought to notice, that inasmuch as the work was not, provided for in the current year's Local Fund Budget, the local authorities cannot, under Government Order, No. 1,700, dated 19th June 1865, undertake any new works, without the sanction of Government.

Credited under the following heads:—

2. Colonel Winscome, therefore, in his letter of the 25th ultimo, No. 53, suggests that the estimate should be either included in the Local Fund Budget for 1866-67, or that special sanction be at once applied for, and I have the honor accordingly to submit the estimate in question through the Board, for the early sanction of Government.

3. As the Board are aware, the toll proceeds are to be held available* for maintaining the anicut roadway, and improving the approaches to it; and the road in question being one of the approaches, I was of opinion that the proposed application of the funds was covered by the general order.

* Order of Government, Public Works Department, (Public,) dated 5th June 1862, No. 1,261, paragraph 4.—Vide Board's Proceedings of 9th idem, No. 3,653.

ENCLOSURE No. 1.—Estimate.

Before submitting the Collector's proposals for the sanction of Government, the Board desire to know whether funds are available, at the credit of the District Road Fund, in excess of the Budget requirements. It is presumed that the toll collections are credited to this head.
