1. With reference to paragraph 1 the Board have to state that the position of the Road Fund was not such as to admit of work being undertaken on the roads in question to any thing like the extent to which it has been.

2. The probability is that most of them would have been postponed for want of funds. There are other works which have afforded employment to the distressed, but these seven have been selected as having been carried out mainly with that object in view.

3. To enable the Board to submit the information called for in paragraphs 2 and 3, it will be necessary for Collectors to furnish Statements in the annexed form, obtaining information from the Officers of the Department Public Works in those cases in which the works have been under execution by them.

4. The statement should be furnished with the least possible delay.
