Proceedings of the Madras Government, Revenue Department, 26th September 1866.

No. 624. Read the following Proceedings of the Board of Revenue, dated 4th September 1866, No. 6,275.

Read the following letter from the Collector of Madura, to the Secretary to the Board of Revenue, dated 20th August 1866, No. 271 :—

1. I have the honor to report, that an allowance of Rupees 40-0-7 was granted to one Coolundasawmy Taven, a member of the family of the late Mutturamalinga Setupati, the deposed Poligar of Ramnad, under the sanction of Government, dated 31st August 1847, No. 970. He was in receipt of it for some time, but a complaint having been preferred against him by his mother and wife that he did not support his family, Mr. Blackburne, the late Principal Collector, issued an order that the mother was to receive the pension, and maintain her son's family, which order has been acted upon for more than twenty years; in March last, the pensioner requested me to allow him to draw his stipend himself, but his mother having again objected to it, and as I felt myself incompetent to re-call the order passed by one of my predecessors, a former Collector, I declined to interfere in the matter.

2. Since the above occurrence, a Circular, dated 22nd June 1866, No. 1,149, was received from the Accountant General, which peremptorily requires that all pensioners should draw their pensions in person signing their receipts themselves. As this rule cannot be enforced in the case of the pensioner in question, if the order of Mr. Blackburne is still respected, I beg the instructions of the Board on the subject. The pensioner is about thirty-five or forty years old, and does not require a guardian any more.

Submitted for the orders of Government.

No. 625. ORDER THEREON, 26th September 1866, No. 2,600.

Miscellaneous.

Ordered that the pension alluded to be paid to Coolundasawmy Taven himself instead of to his mother.
