Proceedings of the Madras Government, Revenue Department, 26th September 1866.

No. 630. Read the following letter from the Collector of Madura, to the Secretary to Government, Revenue Department, Fort Saint George, dated Periakulam, 17th September 1866, No. 1,579 :—

1. I have the honor to report that the Shiraz tobacco seed received with Mr. Hudleston's letter, dated the 3rd August 1865, has been tried in two localities in the Talooks of Dindigul and Periakulam. In the former place only two plants were raised from the seed supplied to the Sub-Collector. A sample of the tobacco leaf and some seeds are herewith forwarded.

2. In the Periakolam Talook three plants grew to some height, but subsequently became diseased and withered.

3. The failure of the experiment is probably owing to the unsuitableness of this dry climate to the Shiraz tobacco plant.

No. 631. ORDER THEREON, 26th September 1866, No. 2,603.
