No. 683. Read the following Proceedings of the Board of Revenue, dated 17th September 1866, No. 6,641.

Read the following letter from the Collector of Nellore, to the Secretary to the Board of Revenue, dated 22nd August 1866, No. 259 :—

1. In his Arzi, dated 28th May 1866, No. 404, the Nellore Tahsildar reports that, in the village of Duvuru, one Akkarazu Luksmia holds an Inám of A. 3, K. 17¼ of rice land, paying a quit-rent of 5½ Rupees; and that of this extent, A. 2, K. 12, V. 9, P. 8, assessed at Rupees 10-6-8, were taken up for the new Cuddapah road some years ago.

2. On the 17th January 1866, the Inámdar applied for fresh land, and his Petition, No. 165, was referred to the Tahsildar for report on the 30th idem.

3. From the Tahsildar's report above referred to, it appears that the land in question has been so taken up; that Petitioner holds a Puttah at the ordinary rates of assessment for Demarcation No. 564, measuring A. 3, K. 5 of rice-land, assessed at Rupees 13, in Madarazuguduru in the same Talook, and that of this land he requests an extent equal to that taken up, viz., A. 2, K. 12, V. 9, P. 8, valued at Rs. 9-13-8, may be granted as Inám.

4. The Tahsildar further states that the Inámdar has withheld the payment of quit-rent (5½ Rupees) for 1865-66, and that if the land selected by him is granted, he is willing to accept it as compensation in full of demands.

5. No reason is given for this claim not having been brought forward at the proper time, and to allow it to be brought forward now is to establish a bad precedent.

6. I enclose a Statement, however, in the usual form, should the Board think fit to comply with the request made.

1. Submitted for the sanction of Government.

2. There appears to be no reason to doubt that the man lost his land in the manner stated, and the delay in applying for compensation has injured no one but himself.
