1. With reference to clause 1st, paragraph 9 of Board's Proceedings, dated the 12th September last, No. 5,958, I have the honor to submit a revised Statement shewing the amount of deductions to be made from the Peishcush of certain Muttahs on account of lands taken up for public purposes.

2. This Statement embraces all the cases in which sanction of Government has not yet been applied for. The

The permanent deductions to be made in the Peishcush of these two Muttahs appears in a separate Statement which accompanies this letter, No. 145; making, therefore, the necessary reductions from the permanent Peishcush, the remaining amounts are shewn as the present Peishcush in the Statement which accompanies this letter.

4. The causes for the delay in the disposal of the claims of the Muttahdars in the cases referred to in clause 2nd, paragraph 9 of the Board's Proceedings under reference, and in similar cases, have been explained in the Remark column 11, against each case.

5. With regard to clause 3rd, paragraph 9 of the above Proceedings, I beg to inform the Board that the Muttahdar of Dadavulli has agreed to have the resumed Inám land included in his Muttah. A Statement for the inclusion in the Peishcush of the difference between the Jodigy and the assessment of this land, and other similar lands, will be prepared and submitted to the Board shortly.

6. With regard to clause 4th, paragraph 9, I beg to state that the present Peishcush, shewn in column 4 of the Statement, is exclusive of Moturpha.

7. With regard to clause 5th of paragraph 9, I beg to state that the correct figures are 9,395-6-7, and this amount was accordingly deducted from the Peishcush in accounts for Fusly 1272, on account of Moturpha.

8. I beg to add that certain Inám lands in certain Muttahs have also been taken up for Railway and other purposes. The Inámdars wish to have other lands given them in lieu of those taken up, but as the validity of these Ináms has not yet been finally settled by the Inám Commission Department, I shall submit a report on this subject hereafter.

Statement shewing the deductions to be made permanently from the Peishcush of several Muttahs in the Salem District, &c.—(Concluded.)

(Signed) D. ARBUTHNOTT, Collector.

SALEM, 11th November 1865.

Board's Proceedings, dated 12th January 1866, No. 286.

From the Collector of Salem, to the Secretary to the Board of Revenue, dated 3rd August 1866, No. 145.

1. With reference to the 1st paragraph of the Board's Proceedings, dated the 12th January 1866, No. 286, I have the honor to inform the Board that Peishcush, equivalent to the reduction to be made, has been left uncollected, and now appears against the Muttahdars, to be adjusted by remission.

2. The adjustment of all the items shewn in the Statement sent with my letter, dated the 11th November 1865, No. 145, was made up annually to Fusly 1270. From Fusly 1271, this was not done, owing to the instructions contained in the Board's Miscellaneous Circular, dated the 20th January 1863, to the effect that the sanction of Government would be obtained to the permanent reduction of all the remissions from the Peishcush in lieu of the existing system.

3. With regard to paragraph 2 of the above Proceedings, I beg to state that Thadavulli entered in my Statement, and the one referred to in my letter of the 11th November 1865, No. 144, paragraph 5, are the same estate. The permanent reduction proposed for this Muttah will be postponed until I submit a separate letter, as directed by the Board. The entry of Thadavulli Muttah has been expunged from my office copy of the Statement above referred to, and I request the Board will be pleased to cause the corresponding alteration to be made in the copy in the Board's Office, as per enclosed Memorandum of alterations.

ENCLOSURE No. 1.

ABSTRACT.—Memorandum of alterations to be made in the Statement sent with the Collector's letter, dated the 11th November 1865, No. 145.

1. Ordered that the alterations pointed out in the Memorandum accompanying the last letter above recorded, be made in the Collector's Statement, which appears in the Board's Proceedings, dated 12th January 1866, and that the foregoing papers be submitted to Government, with reference to paragraphs 8 *et seq.* of the Board's Proceedings, dated 12th September 1864, No. 5,958.

2. From the Collector's second letter, No. 145, which is contained in the Board's Proceedings dated 12th January 1866, and from the subjoined abstract of the Statement (as now altered) which accompanied it, it appears that Acres 56, G. 23, A. 9 were taken up for public purposes from time to time in four Muttahs in the Salem District; that Government sanctioned a total annual deduction of Rupees 123-10-3 from the Peishcush payable by the Muttahdars of these estates, and that a sum of Rupees 381-1-2, being Peishcush equivalent to the reduction to be made, has not been collected from Fuslies 1270 to 1274, and now appears against the Muttahdars unadjusted, owing to certain correspondence which has passed between the Collector and the Board, regarding the final adjustment of the Govern-

ment demand against *all* the Muttahs in the District from which lands have been appropriated for public purposes:—

3. The Board accordingly have to request sanction for the remission of these arrears, and for the permanent reduction from Fusly 1275, of the Peishcush of the several Muttahs to the amounts shewn in column 5 of the above abstract opposite to those Muttahs respectively.

4. The Government will perceive, that, in the case of the Annadanaputti and Amboorpett Muttahs, the future Peishcush, shewn in the above abstract, is less than that entered in the Statement abstracted above, owing to the inclusion, in the permanent reduction proposed, of two items shewn in the Statement forwarded with the Collector's first letter, No. 144, being remissions for lands more recently appropriated in those Muttahs for public purposes, and now for the first time proposed to be made.

5. The following is an abstract of the Statement enclosed in the Collector's first letter, No. 144, and shews the reductions to be made from the Peishcush of certain Muttahs for lands appropriated in them for public purposes, and which have not yet received the sanction of Government:—

6. The Board recommend that the Collector be authorized to refund the sums shewn in column 7 above, amounting in the aggregate to Rupees 5,260-5-3, and not Rupees 5,260-4-11, as erroneously entered in his Statement, and stated in paragraph 2 of his letter, and that the future Peishcush of the several estates be sanctioned at the amounts set opposite to each in column 5 above.

7. The items for which the sanction of Government is now requested are, thus, as follow :—

1. Reduction of Peishcush as shewn in the abstract under paragraph 2	RS.	A.	P.
2. Do. do. as shewn in the abstract under paragraph 5.	123	10	3
	840	2	11
	963	13	2
3. Amount recommended for remission in the abstract under paragraph 2.	381	1	2
4. Amount recommended to be refunded in the abstract under paragraph 5	5,260	5	3

8. In paragraph 7 of his letter, the Collector simply states that the correct amount deducted on account of Moturpha compensation is Rs. 3,395-6-7, while in paragraph 8 of his letter, dated the 25th March 1862, he distinctly stated that the amount of deduction was Rupees 9,365, and furnished a Statement shewing that amount. The Collector will be requested to explain how the increase of Rupees 30 in the present figures has arisen.

9. The excessive delay, (extending from one to sixteen years) which has occurred in the disposal of these cases is wholly inexcusable, the explanatory remarks entered opposite to some of them, in column 11 of the Collector's Statement, going merely to shew that there has been great remissness in this matter both in the Sub-Collector's and Collector's Offices.

10. The Annual Statements required to be submitted by Collectors, under the Board's Standing Circular, No. XVIII., dated 3rd March 1864, of private lands taken for public purposes, for which compensation has not yet been paid, will effectually prevent such inordinate delays as those now noticed. The Collector of Salem with a letter, dated 22nd December 1865, forwarded a Statement for the year 1864-65, and the Board have passed the necessary orders on it.

11. The Collector will be requested to expedite the transmission of the Statements and Reports alluded in paragraphs 5 and 8 of his first, and paragraph 3 of his last letter above recorded.

No. 8. ORDER THEREON, 1st October 1866, No. 2,633.

Land Revenue.

A reduction of Peishcush to the amount of Rupees 963-13-2, a remission of arrears to the amount of Rupees 381-1-2, and a refund of Rupees 5,260-5-3 are sanctioned as recommended by the Board.

5. With reference to paragraph 4 of my letter, dated 6th June 1865, No. 102, I beg to state that it has since been decided that the Vaniembady bungalow should be converted into the Sub-Magistrate's Office at Vaniembady, there being no suitable building for the purpose. I have therefore included the assessment of the land on which this bungalow stands in the Statement.

the Muttah. Assessment for Fusly 1270, minus the portion paid by the Police Department, remains still unpaid to the Muttahdar. It will be recovered from the Military Department and paid to the Muttahdar.

A. - 1. The sum entered in Column 5 was deducted in the Accounts up to Fusly 1268 by making a transfer debit and credit.

2. In the Accountant General's Circular, dated 30th June 1862, No. 131, it was directed that the compensation due for lands taken up for Public roads should be provided from the Public Works Funds. It was accordingly recovered from the District Engineer for Fuslies 1269 and 1270.

3. The adjustment from Faslis 1271 to 1274 was not made, owing to the instructions contained in the Board's Miscellaneous Circular, dated 20th January 1863, to the effect that the sanction of Government would be obtained to the permanent reduction of all the remissions from the Peshcush in lieu of the existing system.

4. A Contingent Bill was, however, submitted to the Board for this and similar items, with a view to their speedy adjustment; but the Board having called for an explanation on certain points connected with these items in their Memorandum, dated the 23rd September 1864, No. 817, it was submitted in the Collector's letter, dated the 7th October 1864, No. 196. In reply to this letter, the Board in their Proceedings, dated the 17th November 1864, No. 7,510, directed the submission of a Memorandum showing the sums to be written off. This Memorandum was submitted on the 6th December 1864, in which this item was included, and it appears from the Board's Official Memorandum, dated the 4th February 1865, No. 85, that they have recommended to Government for sanctioning the adjustment of this and other items entered in the Memorandum up to Fusly 1272, directing the Collector at the same time to include the sum appertaining to Fusly 1273 in the Settlement Report for Fusly 1274 for remissions. Hence, these arrears due for past Fuslis in this case is not entered in Column 9, the assessment due for Fusly 1274 is entered in Column 9, to which sanction is solicited.

SALEM,
11th November 1865.(Signed) D. ARBUTHNOTT,
Collector.

1. The Collector will explain what he means by his proposal in paragraph 4 to *adjust the arrears* of former years in the Accounts. Whether he means arrears of *payments due by Government*, and now to be adjusted by giving the Mootahdars credit in the Accounts of current years' Peshkush collections—a corresponding payment being charged per contra—; or whether he means to say that Peshkush equivalent to the reduction to be made has been left uncollected and now appears as arrears *against the Mootahdars* to be adjusted by a remission.

2. The Board also observe that a permanent reduction is proposed in this letter in the Peshkush of Thadavelli; while from paragraph 5 of letter No. 144 it appears that an addition has to be made to the Peshcush of Dadavulli, (which is presumed to be the same estate,) on account of Inams resumed and made over to the Mootahdars. This appears a most inconvenient mode of arrangement, and the case had better be sent up separately.
