Proceedings of the Madras Government, Revenue Department, 4th October 1866.

No. 56. Read the following Proceedings of the Board of Revenue, dated 21st September 1866, No. 6,778.

Read the following letter from the Collector of South Arcot, to the Secretary to the Board of Revenue, dated Cuddalore, 7th September 1866, No. 175 :—

1. In their Proceedings of the 23rd ultimo, No. 6,021, I am requested to report on the antecedents of the lately convicted salt servants, and whose appeal is now pending before the Sessions Court.

2. The enclosed Statements A. and B. contain the required particulars, and I have only to add as regards Bashika Charloo, that I have ever found him a most able, painstaking, and zealous public sevant, and one in whom, up to the period of the unfortunate charge against him by the Police, I had every trust and confidence.

3. As regards the Shroff, Vasudeva Pillay, he is personally quite unknown to me, and I can, therefore, add nothing to the particulars of his antecedents, as given in the Statement B.

4. Pending the result of the appeal, it would be premature and out of place for me to offer any comment on the recent conviction of these two servants, though I have my own views on the trial and its result before my Head Assistant, to whom circumstances compelled me to refer the case for disposal.

5. So soon as the result of the appeal is known, I will communicate it to the Board for the information of Government.
