*Proceedings of the Madras Government, Revenue Department,
5th October 1866.*

No. 116. Read the following Proceedings of the Board of Revenue, dated 18th September 1866, No. 6,672:—

Read again the following Proceedings of the Madras Government, dated 27th February 1866, No. 525, Revenue Department.

ABSTRACT.—Directing Board to forward to the Inám Commissioner the reports of Collectors as to the amount of work belonging to the Inám Department remaining to be completed in their Districts, and desiring to know how much of the additional quit-rent imposed on enfranchised Ináms has been collected.

In paragraph 2 of the above Proceedings the Government wish to know how much of the additional quit-rent (Rupees 13,91,399 per annum) imposed on enfranchised Ináms has been collected. The Board beg to observe that the whole sum of Rupees 13,91,399 is not the additional quit-rent. Out of this, the additional quit-rent, according to the Inám Commissioner's Report, dated 25th January 1866, is Rupees 7,84,202. From the Statements received from the Collectors for Fusly 1274, ending 30th June 1865, it appears that the sum brought to demand in the accounts of the Collectors up to the last mentioned date on account of additional quit-rent imposed by the Inám Commission was Rupees 5,09,997. The amount stated by the Inám Commissioner in his Report for June 1865 as having been imposed, is Rupees 7,32,897. The whole sum charged by the Commissioner has not been brought to demand in all the Districts, in consequence of the Registers not having been received by the Collectors. As soon as the Statements for Fusly 1275, ending 30th June 1866, which have been called for, are received, the Government will be informed how much of the additional Jody, imposed by the Inám Commissioner up to 30th June 1866, has been brought to account by the Collectors.
