*Proceedings of the Madras Government, Revenue Department,
8th October 1866.*

No. 167. Read the following Endorsement of the Collector of Bellary :—
From the Head Assistant Collector of Bellary, to the Collector of Bellary, dated
Hospett, 17th September 1866, No. 42.

• No. 37.

1. I have the honor to report on
the state of my Division since the date
of my last letter* on the subject (31st
ultimo).

2. The cultivators still continue to hope that they may succeed in growing a
moderately good crop. Rain fell on the 5th and 6th in many places in the Division,
and on the 14th also there was a good fall in Kudlighi and Hurpanhully. No rain,
however, has fallen since the 6th in this Talook or in Hoovinhudgully.

3. The tanks at Narraindaverkerra, Danayakanakari, Nagalapoor, and Dana-
poorum have received about two months' supply.

4. Pasture is improved.

5. Cholera still continues to rage in Kudlighi. I am happy, however, to be
able to report that it has ceased in Hurpanhully. There have been few cases in
this town, but in most the disease has yielded to prompt treatment.

6. There is of course great distress among the poorer classes on account of
the price of grain, which continues the same as at the date of my last report. The
liberality of the people has, however, been unwearying, and has doubtless saved
many lives.

7. The collections for the relief of the poor up to the present date have
reached Rupees 1,750 in this Talook, Rupees 5,000 in Hoovinhudgally, Rupees 500
in Kudlighi, and Rupees 2,796 in Hurpanhully.

Note by the Collector.—Besides the sum of Rupees 600 forwarded on the 7th
September 1866, the amount of Rupees 5,000, from the sum of Rupees 20,000
received on the 18th September, was forwarded to the Head Assistant Collector.
