Proceedings of the Madras Government, Revenue Department, 8th October 1866.

No. 191. Read the following letter from the Superintendent Government Chinchona Plantations, to the Under Secretary to Government, Revenue Department, Fort Saint George, dated Ootacamund, 1st October 1866, No. 69:—

1. In acknowledging the Order of Government, under date the 27th September 1866, No. 2,622, I have the honor to enclose a further supply of 12,000 seeds of Chinchona Succirubra and Chinchona Officinalis for the Governor General of Netherlands India.

2. Our plants of these species are now flowering plentifully, and next June we may expect an abundant harvest of fine seed, when any number required by the Dutch Government can be forwarded.

3. Seeds of the Calisaya are not required, as we have already an abundant supply of both seeds and plants of this species.

4. Seeds of the Chinchona Lancifolia would be very acceptable, as we have only a limited number of plants of this species, which have not yet produced seeds with us, although I learn that they have seeded in Java, and I trust, therefore, that His Excellency the Governor General may be able to send us a good supply of seeds of this valuable species.
