Proceedings of the Madras Government, Revenue Department,
11th October 1866.

No. 290. Read the following letter from the Acting Honorary Secretary to the Farm Committee, to the Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 25th September 1866 :—

1. I am directed to solicit the Government to raise the assignment for the salary of a Superintendent on the Farm at Homes' Gardens to 200 Rupees a month.

2. When the Farm was established, Rupees 75 was the provision for the Superintendent. The Farm has now been in operation for but little over a year, and during that short period, three Superintendents have already been tried and rejected, and the Committee have now a person in the office who is deficient in some of the qualifications they think necessary.

3. They desire on the Farm a Superintendent who cannot only carry on his active duties and control the establishment, but who will be able to organize the labor of the permanent staff employed, and turn it to the best account. They require also in their Superintendent a person who is acquainted with the method of accounts, and who would keep a record so comprehensive that the Committee would be able to discern at a glance what is being done, and what the expenditure on particular animals and particular crops has been as contrasted with their market value.

4. The Committee wish to have a thoroughly competent Agriculturist. Such a person they believe they cannot expect to obtain under a salary of Rupees 200 a month.

No. 291. ORDER THEREON, 11th October 1866, No. 2,753.

Miscellaneous.

The Government authorize the Committee to engage a proper Superintendent on a salary not exceeding Rupees 200 per mensem.
