Proceedings of the Madras Government, Revenue Department,
11th October 1866.

No. 298. Read the following letter from the Commissary General, Madras, to the Chief Secretary to Government, Fort Saint George, dated Madras, 19th September 1866, No. 3,183 :—

1. I have the honor, with reference to the Proceedings of Government as per margin, to state that enquiries have been instituted to ascertain how the mistake of sending hired carriage from Bellary to Seerah originated.

2. The great distress reported to exist in the Mudduckseerah Talook induces me to suggest that I may be permitted to purchase and despatch a further supply of grain for the use of the inhabitants of that part of the country, and for which From two hundred to three hundred bags of raggy are procurable in the market.

I hold funds, as will be observed, by the accompanying Statement.

3. I would propose, if this suggestion is approved of, that the grain be sent as before by rail to Bangalore, and thence to "Mudduckseerah" by public carriage, should the Officer Commanding in Mysore have no objection to its being so employed.
