Proceedings of the Madras Government, Revenue Department, 12th October 1866.

No. 326. Read the following Proceedings of the Board of Revenue, dated 26th September 1866, No. 6,909.

Read the following letter from the Acting Collector of Kurnool, to the Secretary to the Board of Revenue, dated 10th September 1866, No. 185 :—

1. Adverting to my letter to the Board of Revenue, dated 16th May last, No. 109, and paragraph 5 of Captain Mullins's letter to Government, dated 1st August, No. 43, and the Order of Government thereon, dated 13th idem, No. 2,056, I have the honor to point out that the lands in question were rented out to Ryots by two Officers* of the Company on their *own account*, and not on behalf of the Company, as would appear to be the impression of the Consulting Engineer. Neither of the Officers referred to are now in the Company's service.

* Messrs. Gibson and Dalgains.

2. I regret that this false impression should have been created, owing to my not having explicitly stated that the arrangement was one of a private nature.

1. Submitted for the information of Government.
2. Copy to the Consulting Engineer.

No. 327. ORDER THEREON, 12th October 1866, No. 2,775.

Miscellaneous.

Ordered to be recorded.

Company are in a position, according to the returns now submitted, to rent out on their own private account lands which have been made over to the Company for Railway purposes. There must be something very much wrong somewhere, if Subordinate Employees are able thus to deal with lands belonging to the Company.
