Proceedings of the Madras Government, Revenue Department, 13th October 1866.

No. 354. Read the following letter from the Acting Superintendent of Revenue Survey, to the Secretary to Government, Revenue Department, Fort Saint George, dated on Circuit, Ootacamund, 4th October 1866, No. 1,328-47:—

1. I have the honor to forward, for the favorable consideration of Government, a letter received from Mr. W. Beaumont, Deputy Superintendent of Revenue Survey, No. 1 Party, in which he points out that the increased rate of pay sanctioned in Proceedings of the Supreme Government, No. 3,492, of the 8th August, being 675 Rupees per month, he will, under the present Uncovenanted Civil Service Rules, be entitled to furlough pay at the rate of £ 200 per annum only (see extract paragraph 3, Uncovenanted Civil Service Absentee Pay Rules).

2. Under the Order above quoted, Mr. W. Beaumont and Mr. F. C. Puckle draw 75 Rupees fixed travelling allowance. Mr. Beaumont points out that an addition of 25 Rupees a month to his salary would enable him, under the Uncovenanted Civil Service Rules, to claim pay when on furlough at the rate of £ 300 per annum, and respectfully requests that the Government will be pleased to take his case into consideration. If his salary and travelling allowance were consolidated, the gain to him would be very considerable.

3. I had the honor, in obedience to instructions contained in G. O. of the 11th November 1865, to submit the names of Messrs. F. C. Puckle, W. Beaumont, and J. H. Wright, as particularly deserving of an increase of pay. The Madras Government, in G. O. No. 37 of 6th January 1866, were pleased to recommend the above-named Officers for increase, viz., Messrs. Puckle and Beaumont, from Rupees 575 to 750, and J. H. Wright from Rupees 425 to 550 including travelling allowance.

4. I respectfully point out, that whilst the two first-named Officers so long as they remain in India will benefit largely by the increased rates, yet in the event of their having to proceed on furlough, they will receive the same rate of allowance as they would have received had their pay not been augmented.

No. 355. ORDER THEREON, 13th October 1866, No. 2,788.

Miscellaneous.

Referred to the Accountant General for his remarks. The intention of Government was to assign *consolidated* salaries in the Survey Department.

Sir

With reference to the Proceedings of the Madras Government No. 37 of 6th January 1866 recommending increased salaries to Supt. Pringle Wright and myself, and the Proceedings of the Supreme Government No. 3492 of 8th August sanctioning the same, I have the honor respectfully to point out the large difference the pay and travelling allowances will being consolidated under the new rules

2 The pay at present of Mr Pringle and myself is Rs 675 and travelling allowances Rs 75, and when we go on

furlough under the new Rules we should be entitled to an allowance of £200 per annum.

3 If they were consolidated in the first case Rs 700 would stand for £300 per annum thus for the small amount of Rs 25 per mensem it makes a difference to us of £100 a year when in furlough. a matter I need not point out of great moment to us as we have no Fund to receive assistance from when we go on leave to Europe and Charges to Government for Offices of less importance are of more importance Justly so than to others.

4 Would it be requesting too much if I ask you to be good enough to place our case before Government in hope that they would be pleased to adopt it as proposed [illegible] allowances

I have the honor to be
