Proceedings of the Madras Government, Revenue Department, 15th October 1866.

No. 394. Read the following Proceedings of the Board of Revenue, dated 4th October 1866, No. 7,098:—

Read again letter from the Collector of Ganjam, dated 9th July 1866, recorded in the Board's Proceedings, dated 24th August 1866, No. 6,068.

Read also the following letter from the Collector of Ganjam, to the Secretary to the Board of Revenue, dated Cunchelly, 8th September 1866, No. 2,320.

With reference to paragraph 2 of the Board's Proceedings of 24th ultimo, No. 6,068, suggesting the transfer of some of the Peons of the Ganjam Establishment to Gopalpore, I beg to observe that such transfer will be of great advantage.

As it appears from the Collector's first letter that Gopalpore or Munsoorcottah is becoming a port of far greater importance than Ganjam, the Board consider that the higher establishment now allowed for Ganjam should be transferred to Gopalpore, and the smaller establishment to Ganjam. Under this arrangement Ganjam will have an establishment of Rupees 157, and Gopalpore Rupees 187. The sanction of Government will be requested for this transfer, which does not require any alterations in the establishment.

No. 395. ORDER THEREON, 15th October 1866, No. 2,808.

Customs.

Sanctioned.

CHETTERPORE,
9th July 1866.

1. The Board are of opinion that the Collector has shown good reasons for immediately adopting the change suggested in paragraph 2 of their Proceedings above referred to, viz., that Gopalpore should for the future be the higher paid station, Mr. Leonhard and Mr. Waters at the same time changing places.

2. Before submitting this proposition for the sanction of Government, the Collector will be requested to state whether or not it would be desirable at the same time to recommend that the eight Peons now allotted to Ganjam be reduced to five, and the five Peons alloted to Gopalpore be increased in the same proportion.
