*Proceedings of the Madras Government, Revenue Department, 5th November* 1866.

No. 92. Read the following Proceedings of the Board of Revenue, dated 3rd October 1866, No. 7,083:—

Read the following Proceedings of the Madras Government, dated 19th September 1866, No. 2,523, Revenue Department.

ABSTRACT.—Passing orders on Board's Proceedings, submitting final reports on introduction of new Settlement, and the Road Cess Act into Trichinopoly District; and requesting Board to submit a rough Draft of the Legislative Enactment they would propose for enforcing Ryots to clear out Irrigation Channels.

1. Ordered to be communicated to the Collector of Trichinopoly for information and guidance, and that copy be furnished to the Inám Commissioner, with copy of Mr. Puckle's Report, with reference to paragraph 7 of the Government Order.

2. The subject of paragraph 9 will be separately considered.

3. As regards the Hukumnamah, the Board observe that the draft, prepared in concert by Messrs. Puckle and McDonell, was referred by them in March last to Mr. Banbury for his remarks and at his request, and he will now be desired to submit his observations with as little delay as possible.

4. The Board have referred again to the draft, and see no reason to think that any inconvenience can have resulted from the delay in its issue, as it merely embodies existing standing orders and detailed instructions relative to the new Settlement, the whole of which have, in point of fact, been brought into practice by Mr. Puckle himself, when introducing the Settlement in personal communication with the village and Talook Officers, who must be thoroughly acquainted with the Rules which the Hukumnamah records.
