*Proceedings of the Madras Government, Revenue Department,
5th February 1866.*

No. 65. Read the following Proceedings of the Board of Revenue, dated 18th January 1866, No. 419 :—

Read the following letter from the Collector of South Canara, to the Acting Secretary to the Board of Revenue, dated Beltangady, 17th November 1865, No. 190.

1. I have the honor to forward herewith a Tabular Report of a lapsed Pension in this District, and request sanction for the continuance of the allowance enjoyed by the deceased Kinnanur Kul Kunnyamma Tambraty, one of the female members of the Nileshtar Rajah's family, in the name of one Panki Tambraty, her surviving younger sister, from the date of the death of the late incumbent.

2. I regret that there has been a delay of nearly three months in reporting this case to the Hoozoor, attributable partly to the village and partly to the Talook authorities. The casualty occurred on the 26th of July; but no report was made to the Tahsildar by either the Potal, or Shanbogue, till the 10th September, and the Tahsildar in his turn delayed, sending in his own report to the Hoozoor till the 19th of October, and when it was received it had to be returned for further and fuller information.

3. The village Shanbogue has died since the occurrence of the casualty in question, and the Potal has been punished with a fine for his gross neglect of duty; but with regard to the Tahsildar's share of the delay some excuse may be found in the fact of his having been but recently appointed to the charge of the Talook, and his having consequently had to attend to other more important and pressing duties; but at the same time, I cannot altogether exonerate him from blame, and I have therefore warned him against a recurrence of such delays, and have intimated to him that any delay of a similar nature which may occur in future will be visited with a severe punishment.
