Proceedings of the Madras Government, Revenue Department,
5th November 1866.

No. 130. Read the following Proceedings of the Board of Revenue, dated 9th October 1866, No. 7,260 :—

Read the following letter from the Collector of the Godavery District, to the Secretary to the Board of Revenue, dated Cocanada, 14th September 1866, No. 217.

1. I have the honor to forward a Plan and Estimate, received from the Superintending Engineer, First Division, amounting to Rupees 3,520, for constructing two Ghâts, at Coringa river, for landing wharves. I consider the erection of the work is absolutely necessary, and its cost should be charged to Local Funds. As no provision is made in the Local Fund Budget for the current year for this work, I request the Board will obtain the special sanction of Government, for the construction of the work in question.

2. The above cost may be met from the surplus balance remaining on 30th April 1866, as stated in the last part of my letter, dated 2nd June 1866, No. 120, recorded in the Order of Government, No. 2,275, dated 30th August 1866, Revenue Department, communicated with the Board's Proceedings of the 3rd instant.
