Proceedings of the Madras Government, Revenue Department,
6th November 1866.

No. 161. Read the following letter from the Resident in Travancore and Cochin, to the Chief Secretary to Government, Fort Saint George, dated Cape Comorin in Travancore, 11th October 1866, No. 63:—

1. Under the terms of the interportal arrangements between the Government and the Travancore and Cochin States, it was stipulated that the Travancore export duty on goods passing into the Cochin State should be limited to principal articles. This was arranged at the time.

2. I have now the honor to report, for the information of Government, that the same principle has been adopted generally by the Travancore Government, and to enclose a Notification of the articles to which the export duty has been restricted, for publication in the "Fort Saint George Gazette."

NOTIFICATION.

With reference to the Notification published in the "Fort Saint George Gazette" of the 26th May 1865, page 1,076, it is hereby notified, for general information, that the export duty on goods in transit from Travancore to British India and the Cochin territory, whether by land, sea, or backwater, has been limited by the Travancore Government to the articles enumerated in the following Schedule.

(Signed) H. NEWILL,

No. 150. From Collector, North Arcot, Chittoor, through Vellore, to Revenue Secretary to Government, Madras, dated 6th November 1866.

Season for the last week was the same as that of the preceding one, except that there was no rain-fall. Cholera is, however, reported to be prevailing in Gudiatum, Poloor, and Vellore Talooks; in the last-named talook fever is also prevalent. In Gudiatum Talook cattle are said to be dying from looseness caused by eating tender grass, and in Vellore there has also been some slight loss from a disease called Adapon.

No. 151. From Collector, North Arcot, Melpady, viâ Vellore Station, to Revenue Secretary to Government, Madras, dated 5th November 1866.

Season continues favorable. Rain-fall, no rain fallen during the week. Prices falling, but very slowly. Markets well supplied. Public health good. Pasture abundant.

No. 152. From Collector, South Arcot, Cuddalore, to Revenue Secretary to Government, Madras, dated 5th November 1866.

Season promising. Rain-fall tolerably abundant, but more wanted. Prices falling a little. Markets ill-supplied. Public health good, but cholera not wholly disappeared in parts. Pasture sufficient, but there is still cattle disease.

No. 153. From Collector, Tanjore, to Chief Secretary to Government, Madras, dated 5th November 1866.

Season Report for the week ending 3rd November.—Season promising. Rain-fall generally sufficient. Prices stationary, but very high. Market well supplied. Public health good. Pasture sufficient.

No. 154. From Collector, Trichinopoly, to Chief Secretary to Government, Madras, dated 5th November 1866.

Season promising. Crops looking well everywhere. Rain-fall sufficient. Prices firm at high rates. Supply plentiful, and exportation daily going on. Health tolerably good. Pasture abundant.

No. 155. From Collector, Coimbatore, to Chief Secretary to Government, Madras, dated 6th November 1866.

Season promising. Rain-fall, good and general fall. Prices falling slightly. Markets moderately well supplied. Public health indifferent. Fever and cholera prevail to some extent. Pasture much improved.

No. 156. From Collector, South Canara, Mangalore, to the Chief Secretary to Government, Madras, dated 5th November 1866.
